

Petition to protect Warley Ward's green spaces

There is a need for local affordable housing and more social housing, but expensive houses built in desirable greenbelt areas will not help struggling families looking to buy a home or move to a less crowded home. We the undersigned are call on Calderdale Council to as far as possible protect greenbelt around towns and villages, and open spaces such as Roils Head Moor, Warley Town recreation ground, Mount Tabor, Stocks Lane, Ling Bob Playing Fields, Sandbeds Park, Windle Royd Lane, and Pellon Allotments. Development should instead be focused as far as possible on Brownfield sites.
