

Faster Internet for Warley Town

The broadband speeds in Warley Town can be far too slow. Some residents have reported speeds of just 1.5-3 mb/s. People need faster broadband to make it easier to work from home, and to access streaming video services such as Netflix, BBC iplayer and Amazon Prime.

We the undersigned petition the Council, BTOpenworld and the Government to upgrade the Internet connectivity of Warley Town, so that we can enjoy the Internet that we expect to have in the Modern world.
